

Advertisement for one post of Research Analyst

Applications are invited for one post of Research Analyst on contract, on a consolidated salary in the range of Rs.35000-40000 per month, for a period of 9 months to work for the project “Issues affecting the uptake of the Kishan Credit Card Scheme in some states of India”. The exact salary will depend on the qualification, work experience, and knowledge of RBI database of the candidate. Candidates with experience in evaluating financial schemes meant for farmers in India will be given priority. Along with literature review, data analysis, and report writing, the candidate is required to travel, and supervise survey work in different parts of the country.

Minimum Qualifications

The candidate should have an excellent academic record, with at least a second class Master’s degree in Economics/Agricultural Economics /Statistics/ Econometrics. Candidates should also have good knowledge of MS-Office, in particular MS-Excel and econometric packages like STATA and E-Views.

Candidates who are already working in an organization must send their applications through the proper channels. The Institute reserves the right not to fill up the position if circumstances so warrant. **Other things being equal, SC/ST/OBC candidates will be preferred.** The Institute may consider eligible persons who might not have applied.

Applications with academic and professional details, self-attested copies of certificates and mark sheets, and the names of two referees should reach the Academic Officer, Institute of Economic Growth, University of Delhi Enclave, Delhi 110007 (Email: sushil@iegindia.org) by **30th June 2022**.

Candidates are expected to appear for a **walk-in-interview** on **Tuesday, 5th July, 2022** between **11.00 A.M. to 1.00 P.M.** in the Audio-Video Room of the Institute.
