Advertisements for Senior Research Analyst

Applications are invited for one post to be filled as a Senior Research Analyst on a consolidated salary based on position and performance, range of Rs.45,000/- to Rs.65,000/- per month for an initial period of 11 months, extendable subject to funding position, for a UNICEF Project entitled “Strengthening Evidence to Action Agenda for CashPlus4Nutrition”.

The research activities involve policy and evidence reviews on social protection policy for food and nutrition security to expand learning potentials and share diverse experiences and knowledge on the critical linkages between social protection (in terms of cash transfers) and nutrition services, in order to strengthen the nutritional impact of cash transfer schemes in operation in the country today.

The Senior Research Analyst will be expected to have good analytical and writing skills, assist in conducting and co-ordinating State and National level meetings with key stakeholders, analyse data and write reports. Prior knowledge of NSSO/NFHS/FAO and other databases and experience working on subjects related to the project theme will be an asset. The Senior Research Analyst will support in the following activities:

- Undertake evidence review and development of database on food and nutritional security policies.
- Provide support for meetings and deliberations of Technical Advisory Group (TAG).
- Co-ordinate with CoP to prepare the Annual Work Plan and activities.
- Assist periodic planning and review meetings for the project and events.
- Provide research assistance for documentation of social policy and protection initiatives to support food and nutrition security with identification and documentation of best practices.
- Undertake field visits to different states and districts as per the project requirements.

Minimum Qualifications: Senior Research Analyst

The candidate should have an excellent academic record, with at least a second-class Post Graduate degree in Economics, Nutrition, Financing, Public Policy, Development Studies, Population Studies, Public health, and Sociology. Efficient computer skills and working knowledge of the software (EXCEL/STATA/R) are desirable. Candidates must have at least prior experience of 3-5 years’ experience in social sector research, in addition to proven skills in analytical writing of study reports/policy brief etc. A sample of work must be shared with application.

Candidates who are already working in an organization must send their application through the proper channels. The Institute reserves the right not to fill up the positions if circumstances so warrant. Other things being equal, SC/ST/OBC candidates will be preferred. The Institute may consider eligible persons who might not have applied.

Women candidates are encouraged to apply.

Applications with academic and professional details, self-attested copies of certificates and mark sheets, and the names of two referees, along with written paper should reach the Academic Programmes Officer, Institute of Economic Growth, University of Delhi Enclave, Delhi 110007 (sushil@iegindia.org) by latest by July 28, 2022, till 4.00 pm.

The eligible candidates are requested to appear for walk-in-interview on August 1, 2022 at 11.00 am in the Audio-Video Room of the Institute of Economic Growth, University of Delhi Enclave, North Campus, Delhi-110007, for the above position.

No TA/DA will be paid for attending interview.

No further communication will be sent for the interview.
