

Post-doctoral Position/Research Fellowship in Economics

Centre for Development Economics (CDE) and the Institute of Economic Growth (IEG)

Applications are invited for a post-doctoral fellowship position in Economics. The tenure of the fellowship will be 6 months (may be extendable) from the date of appointment. Young researchers are encouraged to apply for this position.

The selected applicant will be paid a stipend of Rs 60,000 per month and will be provided with internet connectivity, printing/photocopying facilities, and shared office space at CDE, and can avail of free accommodation for a single person at IEG.

Eligibility: Applicants should have completed a PhD degree from a recognized Indian or foreign university. However, those who have submitted their dissertations but have not yet had their viva can also apply. Candidates should NOT hold a permanent academic post in any other institution.

Responsibility: The position carries no teaching obligations. The Fellow will be expected to participate in the regular academic activities of CDE and IEG, especially attending the seminars and conferences, and encouraged to interact with the faculty of both institutions on research issues of mutual interest. The Fellow will be required to present at least one seminar and possibly contribute at least one paper to the CDE working paper series, during the tenure.

Application: Applicants should provide the following documents

- 1) Updated Curriculum Vita
- 2) Copies of not more than three best published or unpublished papers
- 3) Names of three referees
- 4) Copy of PhD certificate. Students who have submitted their dissertation but have not yet had their viva should provide a letter from concerned authorities as proof of submission.

Application deadline: The current application window will remain open till **12th of September 2022**. Deserving candidates will be interviewed (either in-person or online).

Application and queries can be sent to: postdoc@econdse.org
