IEG shall have no liability whatsoever towards the persons deployed by the contractor for the subject of work. The contractor shall keep IEG indemnified against all losses/ damages/ liabilities/ claims arising out of deployment of the contractor's workers during the period of the contract. Any claim which may arise during the currency of the contract or at any subsequent point of time, shall be the sole responsibility of the contractor and IEG shall in no way be held responsible for it.

Pushover
20/8/2022

13. Liability against loss or Damage to life or Property

The contractor shall be liable to pay IEG for any loss/damage caused as a result of theft/pilferage of any property of IEG from the premises where the staffs of the contractor have been deployed, provided such loss/damage is due to the negligence of the contractor or its deployed manpower.

The contractor shall also be liable for the consequences of any incident of major/minor injury or death caused to any of its worker arising out of or in the course of his employment under the scope of the contract.

IEG shall not be responsible for any injury or loss of life in respect of the contractor that may take place while on work. Any compensation or expenditure towards treatment for such injury or loss of life shall be the sole responsibility of the contractor. The contractor shall be solely responsible for any damage, injury or accident that may occur to any of his personnel working under his contract. No claim whatsoever arises to IEG.

14. Liquidated Damages

If the contractor fails to execute the contract either in full or in part or fails to observe the terms and conditions set hereinabove or herein below, the entire loss/damage sustained by IEG shall be reimbursed by the contractor and/or will be recovered from the contractor's running bills. In case of financial loss/liability incurred due to the negligence/default of the contractor, the same will be recovered from the contractor's running bills.

15. Termination of the Contract in Full or in Part

The contract will be automatically terminated upon the expiry of the period of the contract. The contract may also be terminated by either of the parties after serving a notice of one month to the other party or payment of charges in lieu thereof. Any complaints pending on the day of giving notice and also before the expiry of the notice served shall have to be attended in accordance with the terms and conditions of the contract.

IEG may terminate the contract in full or part, subject to the said provision, in case of failure/ neglect/ default/ refusal on the part of the contractor to perform satisfactorily as per the scope of the contract. In such an event, IEG reserves the right to get the balance work executed through alternate source(s) at the risk and cost of the contractor and the security deposit of the contractor shall stand forfeited. Further, in the event of termination, the contractor shall vacate the site/ premises peacefully and remove the personnel deployed by him within the stipulated period as decided by IEG. The decision of IEG competent authority in this regard shall be final and binding upon the contractor.

In case of breach of any of the terms & conditions of the agreement, the Institute shall be at liberty to terminate the contract forthwith without prejudice to the right of the Institute to claim damages on account thereof and the Contractor and his personnel shall vacate the area of operation for this purpose on the expiry of such period. In the event of such termination of the contract, the refund of Security Deposit would be subject to deduction of any dues, penalties or other recoveries etc.

16. Foreclosure of Contract in Full or in Part

If at any time after issuance of work order, IEG decides to foreclose or reduce the scope of the work and hence not require the whole or any part of the work to be carried out by the contractor, IEG shall give 10 days' notice in writing to that effect to the contractor. In case any such action is taken by IEG, the contractor shall be paid

Rashmi
20/8/2022

full amount for the quantum of work executed till the date of foreclosure. No compensation, however, shall be paid by IEG for the period of work not executed.

17. Force Majeure

If at any time during the continuance of this contract, the performance in whole or part is prevented or delayed by reason of war, an act of terrorism, act of hostility by public enemy, civil disruption or sabotage, fire, explosions, epidemics, quarantine restrictions, strikes, lock-outs or natural calamities like flood, earthquake or severely inclement weather, provided notice of the happening of any such eventuality is given by either party to the other within 2 days from the date of occurrence thereof, neither party shall by reasons of such event be entitled to terminate this contract nor shall either party have any claim for damages against the other in respect of such non-performance of delay in performance/ execution under the contract.

Provided also that such performance/ execution under the contract should commence as soon as practicable, after such event comes to an end or ceases to exist, and the decision of IEG as to whether the performance has been so resumed or not shall be final and conclusive. Provided further that if the performance in whole or in part of the execution under this contract is prevented or delayed by reasons of any such event for a period exceeding 60 days, either party may opt to terminate the contract.

18. Subletting/ Subcontracting

Subletting or subcontracting of the contract, either in full or part, is not allowed under any circumstance. In other words, the contractor shall not enter into any sub-contract with any person or transfer the contract or any benefit thereunder to any person or firm without written permission and approval of IEG.

19. Resolution of Disputes

- (a) Save where expressly stated to the contrary in this contract, any dispute, difference or controversy of whatsoever nature between the parties, however arising under, out of or in relation to this contract including disputes, if any, with regard to any act, decision or opinion of any of the party and so notified in writing by either party to the other, the "Dispute" shall in the first instance be attempted to be resolved amicably in accordance with the procedure set forth in para (b) below.
- (b) Either party may require such Dispute to be referred to the concerned officials of IEG and the contractor for amicable settlement. Upon such reference, the two shall meet at the earliest opportunity as per their mutual convenience and in any event within fifteen (15) days of such reference to discuss and attempt to amicably resolve the dispute by mutual consultation. If the dispute is not amicably settled within fifteen (15) days of such meeting, either party may refer the dispute to arbitration in accordance with the provisions of arbitration clause. In such an eventuality, the party intending to start arbitration shall have to give notice to the other party of its intention to commence arbitration shall have to give notice to the other party of its intention to commence arbitration as per the Indian Arbitration and Conciliation Act.

20. Arbitration

1. In the event of any question, dispute/ difference arising under the agreement or in connection herewith (except as to matters the decision of which is specially provided under this contract) the same shall be referred to the sole Arbitration of the Director, IEG or his nominee.
2. The decision of the Arbitrator shall be final and binding on the parties. In the event of such Arbitrator to whom the matter is originally referred is unable to act for any reason whatsoever, the Director, IEG shall

Rushmi
