CORRIGENDUM

File No. IEG/Admin/CO/IV/

18th April 2025

In continuation to the Corrigendum dated 11.04.2025, this is to inform all concerned that the **qualifications and experience for the posts of Research Investigator and Field Investigator** as advertised earlier have been **revised** to align with the approved guidelines issued by the Ministry of Health & Family Welfare (MoH&FW), Government of India, vide letter dated 12.03.2021.

The **revised eligibility criteria** are as follows:

Designation	Qualification for Direct Recruitment	Experience
Research Investigator	At least 2nd Class Post Graduate Degree in Demography / Population Studies / Statistics / Economics / Mathematics / Sociology / Social Work / Psychology / Anthropology / Geography. Knowledge of Computer Applications is essential.	3 years' experience in data collection, analysis, and report writing. (<i>Relaxable for candidates with higher qualifications. Posts may be from different disciplines.</i>)
Field Investigator	At least 2nd Class Post Graduate Degree in Demography / Population Studies / Statistics / Economics / Mathematics / Sociology / Social Work/ Psychology / Anthropology / Geography.	Some experience in data collection and analysis. (<i>Posts may be from different disciplines.</i>)

This issues with the approval of the Competent Authority.
