For	Read
Para-1 1. "....."The Institute of Economic Growth (IEG), an autonomous research and training Institution established in 1952, conducts research in several areas of Economics, Sociology, and Demography. The IEG invites online applications for the following positions on regular basis in the Agricultural Economics Research Unit at the Institute. The positions will be filled initially for a period of two years, which can be extended further based on performance".	Para-1 1. "....."The Institute of Economic Growth (IEG), an autonomous research and training Institution established in 1952, conducts research in several areas of Economics, Sociology, and Demography. The IEG invites online applications for the following positions which are purely on temporary basis and will be filled initially for a period of 2 years, which may be further extended annually based on performance and requirements. The appointment shall not confer any right of absorption/regularization".

The rest of the contents of the said advertisement shall remain the same.

This issued with the approval of the Competent Authority.
